

ULTRA TILE CLEANER – TDS

Product Name:

Ultra Tile Cleaner

Product description:

Ultra Tile cleaner is a powerful, heavy duty, acid and surfactant based cleaner for ceramic and vitrified tiled floors and walls. Ultra Tile cleaner is designed for removal of cement film residues, efflorescence and most oxide stains. It may also be used as general purpose cleaner on other acid resistant surface.

NOTE: Do not use on surfaces that are not resistant to acid such as marble / terrazzo.

Advantages:

- Powerful formula
- Fast acting
- Easy to apply
- Removes cement film
- Removes residues, efflorescence and most oxide stains

Area of usage:

- All interior and exterior surfaces
- All Wall and Floor area

Instructions for use:

1. Dilute to the correct ratios as required : Light cleaning on glazed and unglazed tiles, bricks, slate, stones and quarry tiles use 1 part Ultra Tile cleaner to 4 parts clean water. Heavily soiled areas may require an undiluted solution to be applied.

NOTE: Always test initially on a small inconspicuous area. Dilution ratio may be increased or decreased as per nature of stone /substrate.

2. Liberally apply the solution to the floor area to be cleaned. Leave in contact with the area approx. 1-2 minutes. Using a stiff bristled brush or a scouring pad, thoroughly scrub the area treated with the solution.

3. Mop up the solution and rinse well with water up to 3-4 times until all traces of the solution have been removed.

4. Heavily soiled areas may require subsequent applications of Ultra Tile cleaner

5. Do not use on new areas until the adhesive and grout are fully cured.

6. Immediately clean accidental spillages by washing thoroughly with plenty of water.

Limitation:

- May discolour tiles / stones not resistant to acid.
- Not effective against acrylic / solvent stains.

- Do not use on highly porous stone / tiles that are not resistant to acid.

VOC Content 60.59 g/L

Pack size:

500 ml & 5 Litres

Health & Safety:

Strong acid and corrosive, Use rubber gloves while handling.

Storage and Shelf Life:

Ultra Tile cleaner has a shelf life of 12 months in original unopened container. Store in dry conditions between 5°C and 30°C, protect from direct sunlight.

Precautions:

Keep out of reach of children. Wear suitable protective clothing, gloves and eyes/face protection. After contact with skin, wash immediately with plenty of clean water. In case of contact with eyes rinse immediately with plenty of clean water and seek medical advice.
